

Grade One School Supply List 2025/2026

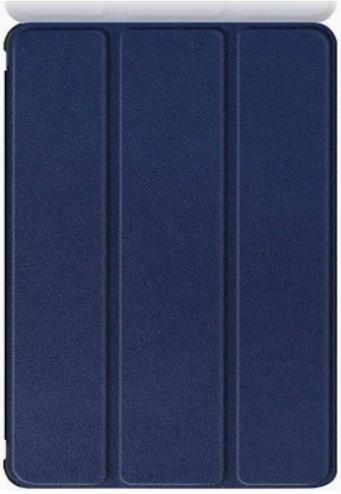

Supplies should be sent with your child during the first week of school (August 24). In Grade one, teachers collect stationery supplies and store these for student use throughout the year. This collection helps the sustainability of most items. Consumable items such as pencil crayons, whiteboard markers, glue sticks, erasers and pencils need to be replenished as these are used in many different classes (Arabic, Religion, Design & art). **Please note that in January or February, teachers may ask for the replenishment of those consumable items.**

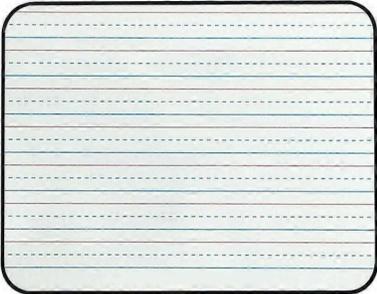

ALL supplies should be labelled with your child's name and last name.

Item Requested	Picture Example	Quantity	Check
