Dear Future Grade 2 Students and Families,

We are looking forward to all of you joining us in Grade 2 for the 2026/2027 school year! It will be a year filled with inquiry, new discoveries, and lots of learning!

As you prepare for your Grade 2 year, we recommend that you choose 1 activity from the Choice Board to explore 10-15 minutes a day. You are encouraged to document your learning by taking pictures of some of your learning experiences. When we return to school in August, you will have the opportunity to share some of your completed choice board activities with your grade one teacher and new classmates. You can continue to use your school apps during the summer:

Go to Level-Up Room. Listen, read, and take the quiz for every story you read.

1: Name the setting of the story.

2: Who are the main characters?

3: What was the problem and how was it solved?

4: Ask and answer 3 questions about the story using the

5 Ws. Where, when, why, who, etc.

Log into your IXL account and take the diagnostic test every Monday.

Practice the recommended skills throughout the week.

Our supply list will be uploaded on the Parents Section of the AIS Website: <https://ais.edu.kw/parents/>

Please note: Smartwatches will not be allowed in school. These should be left at home.

Have a safe and happy summer!
